SCHOLARSHIPS

Eighth graders who choose Mount St. Mary Academy as their first choice for high school are eligible for dozens of scholarships and awards we offer.

Some scholarships are application-based. These awards recognize a variety of criteria, such as: leadership, service, grades, desire to attend Mount St. Mary, etc. Some also take financial need into account. Applications for these awards are given to first-choice test takers after they complete the High School Placement Test on **November 21, 2020**. Students may apply for every scholarship for which they believe they are eligible, based on the stated criteria.

Other scholarships are awarded based on placement exam results. There is no separate application for these awards, and they vary in value from half tuition to partial tuition awards for all four years.

Please use the MSM Admissions Office as a valuable resource for questions regarding scholarships.

Your daughter will be notified of any scholarship she has won when she receives her acceptance letter from our school in January 2021.

FINANCIAL AID

Included in the packet given to your daughter on Placement Exam morning is an application for Financial Aid. Each year, Mount St. Mary Academy offers need-based grants to families. In order to be eligible, an application must be completed and submitted to FAIR, Inc. This application takes into account your family's total financial picture.

Your daughter will be notified of any Financial Aid award she has won when she receives her acceptance letter from our school in January 2021.

WORK STUDY PROGRAM

This program matches students with jobs during the summer or school year. Tuition credit is issued based on the number of hours worked. Slots are awarded based on financial need.

DISCOUNTS

A 25% tuition discount will be applied to the accounts of families who have at least one parent who is a full-time employee at a Catholic elementary school, a Catholic high school, or a Catholic church, and who demonstrate financial need. We also offer a discount to families with more than one daughter attending our school.

PAYMENT OPTIONS

Parents may pay their daughter's tuition in one of several ways. Payments may be spread out over eleven months. For a discount, families can pay in full by July 1, or make two half payments on July 1 and December 1. Payment is accepted by check, credit card or automatic withdrawal from a checking or savings account through FACTS Management.
