Dear Mount St. Mary Academy alumnae,

Congratulations on celebrating your class reunion. Even though this year is different than others, I am sure you will still find it to be a special time to reflect on your memories of Mount St. Mary Academy. I have found that with each passing year, I come to appreciate my MSM education and my Mountie friendships a little more. We are all truly Mounties for life.

I write to you on behalf of the Mount St. Mary Academy Alumnae Board. [The Alumnae Board's mission](#) is to serve as ambassadors of the school to the community and to support MSM's mission to provide quality education to young women regardless of financial means through the Alumnae Scholarship Fund. The Alumnae Scholarship is a \$1,000 award presented to an incoming freshman student each year. This student will continue to receive the scholarship each year they attend the Mount, for a total of \$4,000 throughout her high school career.

To make this scholarship possible, the Alumnae Board undertakes fund-raising efforts, both virtual and in-person. The Board hosts an annual golf tournament in June and sells MSM apparel and merchandise both online and at events. Some reunion classes have purchased matching items for each of their classmates as part of a big celebration year. Others have purchased a few items to raffle off or give as prizes at a reunion event. Some have joined together to get their reunion planning started at an Alumnae Board hosted event or activity. Some classes have even incorporated a few extra dollars into their reunion cost per person and donated the proceeds directly to the Alumnae Scholarship Fund. All alumnae are welcome to participate in events as guests or volunteers and we love to see alumnae out in the community, wearing our school colors.

On behalf of the full Alumnae Board, I wish you a blessed reunion year filled with good friends, fond memories, good health and the sisterhood we all cherish.

Very truly yours,
Chloe J. Macdonald Bree '09
MSM Alumnae Board Executive Chairwoman
